30<sup>th</sup> October 2007

Dear Parents

Welcome back to Giles Brook, I hope everyone enjoyed having their children home for the half term break.

### **NSPCC**

A representative from the Charity the National Society for the Prevention of Cruelty to Children has been into school today to speak to the children about their work. We will be helping them through some short sponsored events which I hope you will feel able to support. Children will bring home the details in a separate letter today. The sponsored event will take place in school on November 6<sup>th</sup> and we hope to have any sponsorship money collected in by Tuesday November 13<sup>th</sup>. As we are supporting this Charity we will not be participating in the Children in Need day on the 16<sup>th</sup> November.

### **Sickness**

At the end of last term we had a sickness bug that seemed to run right through the school – thankfully the worst of it now seems to be over and most classes had full attendance today. Please could I remind parents that children should be kept at home for 24 hours after the last sickness before sending them back to limit the spread of illness. Chicken Pox seems to be doing the rounds in our Foundation class recently so do please keep a look out for this too if your child has not yet had it.

### **Reminders**

Please don't forget that the photographer will be in to take individual portraits on Wednesday 14<sup>th</sup> November.

Parents Consultation times for next Tuesday and Thursday are up in the corridor by reception outside the changing rooms.

Yours sincerely

Philip Scull  
Headteacher
