Key achievements to date:	Areas for further improvement and baseline evidence of need:
<ol style="list-style-type: none"> <li>1. We achieved the School Games Mark accreditation for the first time; managing to get a Gold award: this exceeded our target of achieving a Silver level award.</li> <li>2. We have continued to attend a large amount of competitive sporting fixtures despite the closure of schools. Where opportunities have arisen, we have used digital tools and collaborative working with other schools to still give children competitive experiences in school sport. We continue to offer a wider variety of sporting opportunities to all our children, not just those who are talented and achieve highly. Since the last report, we have continued to offer after school football, handball, dance and dodgeball clubs to children throughout the school. There have also been activities and clubs offered for rugby and cross country at lunchtime to prepare for festivals.</li> <li>3. We increased levels of participation in competitive sports competitions to approximately 50% of the school (a greater percentage in Key Stage 2, about 73%). Many of these children competed in multiple events and were successful in reaching second phases of competitions across a greater variety of sports.</li> <li>4. We have received a range of quotes and created detailed plans for the installation of a Daily Mile track. This is to now be taken to Governors for financial assessment and viability before progression on works.</li> </ol>	<ol style="list-style-type: none"> <li>1. Catch up swimming has now restarted for all children in Year 4 and beyond who had not previously met the minimum requirements for 25m and safe rescue. We aim to get our percentages up to levels of around 90-95% success across all 3 curriculum requirements.</li> <li>2. We will continue to develop more of a focus on intra-school activities within year groups and phases where applicable. One competition day or half day per term will be our aim, but we recognise this may not be possible in Autumn Term due to weather conditions. We also look to use our funding to enable children to attend competitive Intra School festivals at least once in the academic year.</li> <li>3. We want to increase our % of children taking part in a sport competition from 50% to closer to 60% or above by utilising the school sports partnership and availability of sports coaches.</li> <li>4. We need to ensure that we are providing accurate assessment and supporting evidence of the progress children are making. We plan to use funding to provide dedicated digital cameras to each year group for the sole use of collecting evidence of PE lessons. These will be monitored by subject leaders regularly to inform next steps and staff training.</li> </ol>

Meeting national curriculum requirements for swimming and water safety	Please complete all of the below:
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres? <b>N.B.</b> Even though your children may swim in another year please report on their attainment on leaving primary school.	91% (remaining 9% of children didn't have opportunity to have catch up sessions)
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	91% (remaining 9% of children didn't have opportunity to have catch up sessions)
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	79% (remaining 21% of children didn't have opportunity to have catch up sessions)
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity <b>over and above</b> the national curriculum requirements. Have you used it in this way?	Yes

## Action Plan and Budget Tracking

Capture your intended annual spend against the 5 key indicators. Clarify the success criteria and evidence of impact that you intend to measure to evaluate for students today and for the future.
